# WE ARE KLARA AND SIMON.

Together, we find ourselves and our Müller-Oswald Winery at home in the towns of Wahlheim and Siefersheim. Nestled amongst vineyards and untamed nature, these locations are a magical source of inspiration.

This is something very unique to our region of Rheinhessen.

S I M O N

## L I M E S T O N E

We are both deeply rooted in our origins.

Klara grew up in the cool, wild surroundings of the natural porphyry stone layers of Siefersheim. Simon grew up among the heat-retaining, fertile and limestone rich soils surrounding Wahlheim.

We consider ourselves fortunate to be able to work with these unique terroirs. Crafting this special character into our wines motivates and fulfils us.

Our grape varieties, Riesling, Chardonnay and Pinot Noir are the perfect terroir ambassadors for our region.

SIEFERSHEIM

We love our fertile limestone soil in Wahlheim and our natural porphyry stone soil surrounding Siefersheim.

WAHLHEIM

## S U S T A I N A B I L I T Y

Simon is deeply immersed in the practice of organic viticulture, creating compost, sowing various plants in the vineyard as well as utilizing his ecological craftsmanship.

We have learned our vocation at the best wineries and we are happy to now be able to create our own organic wines full of character. Our wines are creations full of joy and rooted in origin, just like us.

We are dedicated to organic viticulture and are proud that we decided early on to pursue this path.

N A T U R E

The scent of garden herbs, sweet and tart redcurrants, hand-collected walnuts, and a deep green bean trellis.

In her large vegetable garden, Klara's grandmother shows that experience, handiwork and healthy soils can achieve great produce.

# WHAT IS OUR FEELING OF HOME?

Our garden is the vineyard.

A true paradise. Our wines reflect their origins. In order to achieve this, we work with our hands and with all our senses. The harvest is the unique moment, when it becomes tangible what the future holds.

J O Y

MAKING WINE  
IS PURE JOY.

L I F E

T I M E

While the vineyards are busy and lively,  
the cellar is calm and quiet.

The old vaulted ceiling cellar is a quiet  
retreat for us and our wines.  
The clocks down here tick down some-  
what slower because it takes time to  
develop true character.

Our wines ferment with wild yeasts and  
our trust. We know our vineyards well  
and harvest healthy grapes, so we can be  
sure that great wines are being created.

ORIGIN WINES

ESTATE WINES

# ESTATE WINES. ORIGIN WINES.

Our estate wines bring together the best of our two worlds: limestone and porphyry, origin and drinking pleasure, and the touch of both of us. All our wines are handcrafted by us: Klara and Simon.

Character from the beginning.

Our origin wines show the special character of each individual terroir. The limestone and porphyry soils create unique wines.

They are grown in the finest and oldest vineyards. Our origin wines are given extra time in our cellars to allow them to fully develop.

Character that remains over time.

ORIGIN WINES

## FAMILY

Our family's table is filled with many different characters.

What unites us is: We like it warm, sincere and straightforward. We love good food and we appreciate the freedom we have as winemakers.

J O Y

WE WANT OUR WINES TO  
CARRY THIS JOY AND  
FREEDOM INTO THE WORLD.
